

### *Muriel (Peach) (1st born)*

Mommy, I appreciate you always being supportive and present as a young girl growing up in Winton Terrace catching the # 47 downtown to J.J. Newberry's. You always helped with homework and walked me to school. I understand the importance of being in the house at all times. While other moms were gambling or on the boat and paryting, you were always in the house cleaning and cooking. You are the Best MOM in the world.

Mommy

I will not complain anymore only be grateful and thankful that God allowed me to have you for a while. He called his Angel home and I must obey and be supportive of HIS WORLD

### *Charmayne (Pinky) (2nd child)*

Mommy you were really good to me and I love you. I will cherish the times we just sit and laugh! We always talked about the same Winton Terrace stories and just laugh. We were both be goofy.  
Mommy Rest Well!

### *Phyllis (3rd child)*

Memories living in Winton Terrace, walking through the train tracks at Proctor & Gamble to go to Kroger in St. Bernard. Me taking you to your favorite furniture store, Long's Wholesale. I'm forever grateful that you were in my life for 47 years, sincerely your 3rd daughter Phyllis Ann Rockhold.

### *Kareen (niece)*

To my beloved Aunt “(Peachy)” thank you for loving me so much deeply offering unconditional support and providing soft and a safe place throughout my childhood. You filled me with unforgettable memories; I will always cherish the simple days of grocery shopping at Kroger and catching the bus to J.J. Newberry's & Value City on Ridge to pay on a layaway! Yes, auntie, you always had a layaway! Those trips resulted in you frantically asking, “Where is my Purse!”-followed by a brief frantic sprint running behind the bus to retrieve your Purse! You gave me a childhood of laughter, security and love!  
Rest well Aunt Peachy!

### *Robert (nephew)*

Peachy, love is all I ever known from you. I will miss preparing your favorite peach cobbler & cabbage. You visiting on Saturday at my mom's house and you always writing down your budget! I will miss our talks and watching the silly Youtube Videos about people complaining that their food stamps got cut-off. Rest well!

### *Conclusion*

Mommy you were one of a kind! God sent a special child to brighten this world with your smile!

You are now resting in eternal Peace!

## Obituary

Heaven gates opened up on November 27, 1966 to welcome a precious baby girl named, Beverly Dawn Murdock. She was the seventh precious child of God to Orville Murdock and Hannah Lewis-Murdock.

Beverly was a very beautiful wholesome, articulate little girl from Eastwood Village in Madisonville. She attended Edmund D. Lyons in Junior High and continued her GED at the Guild located in Winton Terrace. She conceived and raised six children in Winton Terrace being the most dedicated, devoted & loving mother. In 1996 she met and fell in love with her husband Rudolph Kimball until his passing on May 24, 2020.

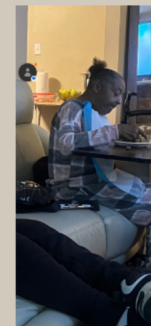

It was impossible not to love Beverly (Peachy). Her compassion for her family was filled with love. She called her children at least 15 times day and left 15 messages on the voicemail. She would give you her last dollar if she felt you needed it, even if you didn't need it!

Her favorite saying is, "I never drank a day in my life".

Yes, Peachy never smoked a Cigarette, never drank Alcohol and never any drugs in her life! Her personality and dedication was loving her family and shopping. She loved shopping for new furniture at Globes Furniture and Long's Wholesale.

Beverly (Peachy) personality would lighten and warm hearts with her laughter and her kindness.

Heaven gates opened on August 26, 2026 for Peachy. She was preceded in death by her husband Rudolph Kimball, her parents, brother Darryl Gano Murdock, sister Suzette Mitchell and brother John Murdock. Beverly leaves many love ones behind to cherish her memories.
