Gone But Not Forgotten

*Don't think of her as gone away
Her journey's just begun,
Life holds so many facets
This earth is only one.*

*Just think of her as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.*

*Think how she must be wishing
That we could know today
How nothing but our sadness
Can really pass away.*

*And think of her as living
In the hearts of those she touched
For nothing loved is ever lost
And she was loved so much.*
