## Finding You in Beauty

The rays of light filtered through  
The sentinels of trees this morning.  
I sat in the garden and contemplated.  
The serenity and beauty  
Of my feelings and surroundings  
Completely captivated me.  
I thought of you.  
I discovered you tucked away  
In the shadows of the trees.  
Then, rediscovered you  
In the smiles of the flowers  
As the sun penetrated their petals  
In the rhythm of the leaves  
Falling in the garden  
In the freedom of the birds  
As they fly searching as you do.  
I'm very happy to have found you,  
Now you will never leave me  
For I will always find you in the beauty of life.
