If I Am Called Before You

And you're left to carry on somethings I'd like to ask of you,
When my time here is done, I'd like to be remembered
For the kindness I once shared. I'd like to be remembered
For the way, I loved and cared. To honor me, keep reaching out
Stand tall, and walk with love know that I'll be smiling down
As I watch from above. I know that you will miss me
And that there will be tears shed, but please remember the good
I've done, and how my life was led... Find happiness in little
things. As from grief you recover reach within and find some
hope then hand it to another. To honor me, and love we shared
Just do this simple thing; Find the song within your heart
And sing my darling.....sing I wish so much for you, dear one;
That strength takes over fears, that when your sad, you persevere
That laughter takes your tears, so do your best and live your life
And know with certainty that I'm watching over you
Although you cannot see soon enough your day will come
We'll be together then. Remember me with love and smile
Until we meet again.

Mom and Dad

It Will Never Be Goodbye...

If I should go tomorrow
It would never be goodbye,
For I have left my heart with you,
So don't you ever cry.
The love that's deep within me,
Shall reach you from the stars,
You'll feel it from the heavens,
And it will heal the scars.
