Footprints in the Sand

One night I dreamed I was walking along the
beach with the Lord.

Scenes from my life flashed across the sky.

In each, I noticed footprints in the sand.

Sometimes there were two sets of footprints;

Other times there was only one.

During the low periods of my life I could see only one
set of footprints, so I said,

“You promised me, Lord, that you would
walk with me always.

Why, when I have needed you most,
have you not been there for me?”

The Lord replied,

“The times when you have seen only one set of
footprints, my child, is when I carried you.”

The family of Randall White thanks you for your presence and support. They invite you to stay for lunch and fellowship following the funeral service.
