Love Lives On

Those we love are never really lost to us—
we feel them in so many special ways:
through friends they always cared about
and dreams they left behind,
in beauty that they added to our days,
in words of wisdom we still carry with us
and memories that never will be gone.
Those we love are never really lost to us—
for everywhere their special love lives on.

Thank you to everyone for your love, support and prayers.
We pray God's abundant blessings upon you all..
