

Larry Dean Herman was born January 25, 1946 in Mobridge, South Dakota, to Doris Sarissa Packard Herman and Edward Henry Herman.

He attended Mobridge schools from the first grade through twelfth grade, graduating in 1964. In December of 1965, he entered the U.S. Army and remained there until December of 1967. On April 11, 1969, Larry and LeRae were married at Trinity Lutheran Church in Mobridge by Reverend Flagstad. During high school, Larry worked at Bud's Texaco and also at Jobs body shop after graduation. He worked there until he was drafted into the Army. When he returned home, he worked at Davidson's Chevrolet in the body shop, until starting to work at L.L. Insulation traveling with Steve Merkel for years. Larry also worked for API for several years, Combustion Engineering for many years and Deltak until his retirement at the age of 61.

Larry's work took him to many areas of the country, as well as into Canada and Puerto Rico. He enjoyed anything to do with cars and hunting, which included snakes, deer, pheasants, trap shooting, and just hanging out with his friends. This was especially true on Friday afternoon's "Cooler Time", at the Fireside with Kenton and Jim.

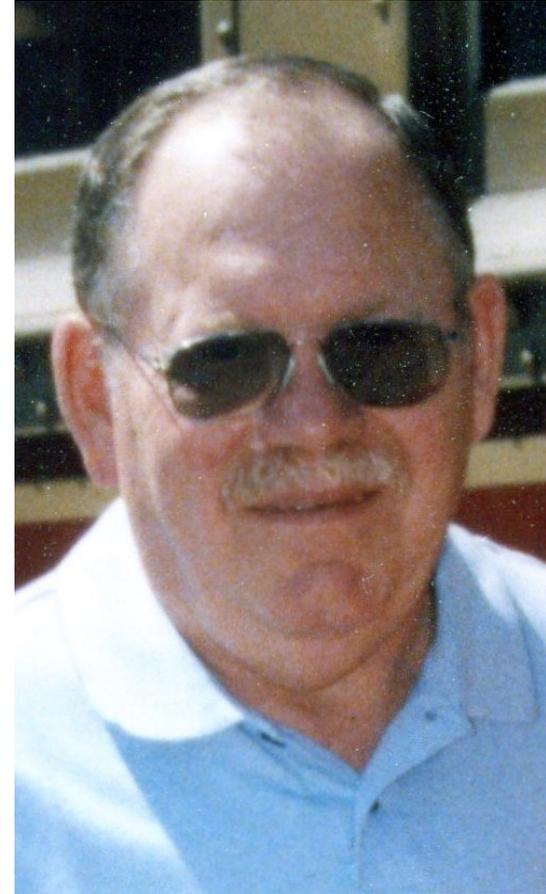

Special friends are: Lou and Terry Novich, Robert and Melissa Durbin, Donnie and Maxi Novich, Jim and Cindy Volk, Kenton and Marlys Jundt, Wade and Lanet Duncan, Darrell and Carol Badure, Dr. Robert Marciano and Evelyn, Dean Lee of Wausau, WI, Pat McKenna of Cincinnati, OH.

Special thanks to the staff of Walworth County Care Center in Selby for the kind care. To Jamie Bowlby, without who's care, Larry would not have been able to stay at home for that all important two years.

Survived by his wife LeRae Herman, Ron and Bill Herman and their spouses, nieces, Rhonda, Ashley and Brandi, nephews, Scott and Josh, as well as multiple cousins.
