# LOVING MEMORIES OF A Special Son

To lose someone so special  
is really hard to bear  
it hardly seems believable  
that you're no longer there

You left us far too early  
before your time, it seems  
and now you'll never have the chance  
to fulfil all those dreams

However hard it is though  
we'll take comfort in the thought  
of all the memories we have  
and the happiness you brought

You always lived life to the full  
but ours won't be the same  
until the day when we can see  
your smiling face again

*Love, Mom*

## A Poem for Dad by: Chad Maley

*I never thought the day would come,  
we would have to say goodbye.  
Nothing like losing your Dad,  
and your best friend at the same time*

*I'd given anything to be by your side.  
To sit next to you,  
and hold your hand  
When it was time to say goodbye.*

*I hope you know how much I miss you,  
each and every day.  
What I wouldn't give to hear voice,  
With the kind words you'd have to say*

*Not a day goes by that I don't think of you,  
and all the good times that we shared.  
All the things we used to do,  
Just truly showed you cared.*

*As I sit writing this ode to you,  
I again begin to cry.  
I keep asking myself over and over....  
Why?*

*I will continue to tell you how much I miss you,  
All my days between now and then.  
Then being the day,  
When I finally see you again.*

*Rest In Peace Dad*

*Your Loving Son and Daughter*
