God's Garden

God Looked around his garden and found an empty place, he then looked down upon the earth and saw your tired grace. He put his arms around you and lifted you to rest. God’s garden must be beautiful He always takes the best. He knew that you were in pain he knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb. So, he closed your weary eyelids and whispered, “Peace be Thine’ it broke our hearts to lose you, but you didn’t go alone for part of us went with you the day god called you home. A link in our family chain is broken and nothing seems the same But as God calls us one by one the chain will link again.
