Celebrating a life remembered with love!

The Life & Legacy of Pamela Renee "Pam" Allen- Stinson

Today, we celebrate the beautiful, vibrant, and unforgettable life of Pamela Renee "Pam" Allen-Stinson. A woman whose love, laughter, faith, and spirit touched every life she encountered. Born on September 26, 1964, in ++San Angelo++, Texas to Opal Allen and the late Ardie Allen, Pam entered this world full of sass, joy, personality, and purpose. From the very beginning, she knew how to make people smile, light up a room, and turn ordinary moments into lasting memories.

Love and family meant everything to her. On June 15, 2024, she married the love of her life, Alan Stinson, sharing a bond rooted in love, companionship, laughter, and unwavering support. Together they built a relationship full of happiness and genuine love.

Nothing brought her greater joy than being a mother and grandmother. Her children, Cedric Allen (Tasha Allen), Patrick Kirk (Niecy Kirk), and Kishoreae Johnson (Ericka Slickk Gallow), lovingly known as the baby and only daughter of the bunch – were truly her heart. She also lovingly embraced Shaneka Giddings and Shontray Giddings as her bonus daughters, loving them as her very own.

Her grandchildren, Genesis Allen, Audryana Johnson, Tyler Allen, Patrick Kirk Jr., Blake Allen, and D'Nym Mallard-Kirk, along with her bonus grandsons, brought endless joy into her life. Whether through laughter, hugs, conversations, or simply spending time together, every moment shared with them became a treasured memory. Being "NaNa" was one of the greatest honors and joys of her life.

Education and ambition played a major role in her journey. After graduating from ++Longview High School++, she pursued higher education, earning her Associate's Degree in Accounting before later obtaining her Nursing Degree from ++Kilgore College++. Her caring spirit naturally led her into nursing, where she worked in hospitals throughout ++Dallas++, Texas before becoming a private duty nurse in ++Houston, Texas++. Caring for paraplegic children became more than just a profession, it became her calling. Through patience, compassion, and genuine love, she left a lasting impact on countless families and clients.

My Sister, My Sister

Pam, I sit here and ponder how much
I would like to talk to you today.
There are so many things that we didn't get to say.
Pam, I know how much you cared for me,
and you knew how much I cared for you.
And, I know that I am truly missing you.
An Angel came and took you by the hand and said,
"Your place is ready in Heaven and you had
to leave me behind (tears will forever fall)."
You had so much to live for and we had
so much to do.
It still seems impossible that God has
taken you.
And though you have walked through Heaven's gate,
we are never far apart
because you are forever in my heart.
Your Sister, Your Friend, Partner in Crime
loves you beyond measure!!

Jan (Jan "u" Licous)

Though our hearts are heavy with sadness, we
find comfort in the memories, laughter, and
love you shared with us. Your presence made a
lasting impact on everyone blessed enough to
know you.
-Slickk to Mama Pam

A LETTER TO MY SUGA:

The last act of love is grief.
Although you were taken from us all far
too soon, you were and forever will be a
blessing to us all. I will forever cherish
our Sunday dinners and late night
phone calls. I will miss you talking me
through my doctor's appointments.
Though I will miss you dearly, I'm glad
you are no longer in pain or suffering.
You are now our guardian angel along
with Granddaddy, Uncle Carl, Uncle
Kevin, Aunt Shauna, and My Daddy
Stephen (Reedy). You all will forever
live on through each and every one of
us. Thank you God for letting us borrow
Aunt Pam for the time we had her. We
are all glad we got to experience this
awesome, wonderful and vibrant
Woman of God

Love you to infinity my Suga
-Monique

She was the best friend a person can have.
When we were together she always had
you back, when people talked bad about
me she took up for me. When would stay on
the phone for hours talking about each
other's family, 🥰
We had been friends for over 30 years 🥰

-Your Best Friend Michelle

My Dedication : Auntie,
I'll never forget how you
were there for me. Never
judging and always with
the most genuine advice.
I'll love you forever.

-Your Niece- Whitney

Aunt Pam,

You were my safe place for as long as I could remember.
From the time I was little, we spent so much time
together talking about everything and nothing at all. I
could always confide in you. You listened with your
whole heart and somehow made everything feel lighter.
Your love, your wisdom, and your presence meant the
world to me. I wish you could have stayed forever.

I love you always.
xo Ashley

In Loving Memory of my dear Aunt Pam,

Your spirit was infectious, and your love knew no
bounds, I was so happy when you moved back
home.....to know I had an Aunty here in Longview...I
will forever be grateful for the lessons you imparted
and the memories we created together. Thank you
for being my confidante, my mentor, and my friend.
We put on many "concerts" together that I will
ALWAYS remember. Your legacy of love will live on
in my heart and in the hearts of all who were
fortunate to know you.

Rest peacefully, dear Aunt Pam. You will be deeply
and I MEAN DEEPLY missed but never forgotten.

With all my love and heart,

Jaralyn

To Our Suga,

In moments shared, both small and grand,
You gave with heart, a guiding hand,
Like quiet waves upon the sand,
Your love would ripple through the land.
A gentle laugh, a knowing smile,
Strength endured through every trial,
Someone special, all the while,
You walked with grace in every mile.
In morning light and soft winds too,
We feel the quiet strength of you,
Your spirit shines in all we do,
A legacy forever true.
Now you rest where stars shine through,
In peaceful realms beyond our view.
We miss your voice, your warmth, your cheer
And keep you in our hearts, so near.

We love you forever & always.
Your Suga Pies,
Kayla, Mya & Auri

Through life allowed her to experience many places between Dallas, Texas and Houston, Texas, her heart eventually led her back home to "Longview, Texas". Her passion for helping others continued as she transitioned into customer service and leadership roles for several companies. Most recently, she faithfully worked for over 10 years with Velera as a Customer Service Consultant/Supervisor, where she became deeply loved and respected by coworkers and customers alike.

Faith remained at the center of her life. A devoted evangelist with a powerful and deeply spiritual soul, she loved God wholeheartedly and never hesitated to encourage, uplift, or pray for those around her. Her spiritual journey began as a member of St. Paul Baptist Church in "San Angelo, Texas" and continued throughout several churches over the years. Her wisdom, prayers, and uplifting spirit became a source of comfort and strength to many.

Music was another gift she carried effortlessly. Blessed with an incredible voice, she loved singing, some of her favorite artists were, Charlie Wilson, the late Betty Wright & Tina Marie to name a few. Whenever there's was a party know that Pam was going to be on the floor singing & dancing, and entertaining family and friends. Her talent led to opportunities to sing alongside nationally known artists including "LL Cool J", "Roger Troutman" and the "Zapp" Band, "Marvin Gaye", and "Shirley Caesar". Whether gospel music was playing or old-school classics filled the room, she could always be found singing along, dancing, laughing, and making sure everyone around her was having a good time.

Cooking was one of her greatest love languages. Anyone who knew her knew the kitchen was where love came alive. From family dinners to celebrations filled with food and laughter, her meals brought comfort and togetherness to everyone around her. Her passion for cooking eventually became reality through Aunt Pam's Kitchen in Houston, Texas, where delicious food and warm hospitality created unforgettable experiences.

Traveling, cruises, bingo nights, music, dancing, and spending time with loved ones brought her so much happiness. Life was meant to be enjoyed, and she did exactly that – living boldly, loving deeply, and laughing often. Her energy was contagious, her smile unforgettable, and her presence impossible to ignore. She had a special way of making strangers feel like family and making everyone around her feel seen, heard, and loved.

Pam's memory will continue to live on through her loving mother, Opal Allen; grandmother, Mossie Wright; devoted siblings Michael Allen, Mark Allen (Wanda), Januetta London, and Sherri Lynn Allen Sister In Love; Katherine Allen; her beloved children, grandchildren, bonus grandchildren, and a host of nieces, nephews, aunts, uncles, cousins, extended family members, and dear friends.

She is reunited in eternal peace with her father, Ardrie Allen, and siblings Carl Allen, Kevin Allen, Stephen ("Reedy") Allen, and Deshanna ("Shanna") Allen; along with her beloved nephew and nieces, Broderick Allen, Brittney Allen, and Mardell Bowser.

She also leaves behind cherished lifelong friendships with Michelle King, Sophia Mallard, Sharon Miller, and Lysanda Swann, along with countless others whose lives were forever changed by her kindness, laughter, wisdom, and beautiful spirit.

Though hearts are heavy in her physical absence, her love, laughter, faith, and unforgettable memories will continue to live on in everyone blessed enough to know her. The legacy of Pamela Renee "Pam" Allen-Stinson will forever shine brightly through the lives she touched, the joy she spread, and the unconditional love she gave so freely.

In her words "For Real Tho Dawg"

TRIBUTES

A REFLECTION FOR MY MOTHER

From Your Oldest Son, Cedric
Mom,

As your oldest son, I want to take a moment to tell you how much you mean to me and how deeply I love you.

From the very beginning, you have been my first teacher, my greatest supporter, and the strongest woman I have ever known. You have shown me what unconditional love looks like through your sacrifices, your prayers, your wisdom, and your unwavering faith in me.

I have watched you overcome challenges with grace and strength. Even during difficult times, you continued to put your family first, making sure we were cared for, protected, and loved. Your resilience has inspired me throughout my life, and the lessons you taught me have shaped the man I am today.

As your oldest son, I carry a special appreciation for all you have done. I remember your guidance, your encouragement, and the countless ways you demonstrated your love. You taught me to work hard, to treat others with kindness, and to always keep faith in God.

Mom, there are not enough words to express how grateful I am for everything you have sacrificed and for the love you continue to give so freely. You are the heart of our family, the foundation upon which we stand, and the source of so many cherished memories.

I want you to know that I love you always and forever. No matter where life takes us, my respect, gratitude, and love for you will never change. Thank you for being the incredible mother that you are.

With all my love,
Your Oldest Son,

CEDRIC ALLEN

Loved every minute and moments we had together as husband and wife. I love you. REST IN HEAVENLY PEACE

YOUR HUSBAND AL

My dearest Pamela,
You were loved more than words can say
and you will always be.

Your smile lives on in every corner of
my heart.

I have missed you every moment since you
went away my beautiful girl.

Rest peacefully, wrapped in the love
that surrounds you.

MOMA

P.S. You was my sunshine on a cloudy day.

I am so lucky to have had a
daughter as wonderful as you.

MAMA,

You were my first best friend before I even knew what a best friend was. I adored you, admired you, and truly thought the world of you. You were my safe place, my comfort, my home. You gave me my first experience of real, unconditional love, and that is something nobody can ever take away from me.

We grew together. Through every stage of life, you taught me things no book or classroom ever could. You taught me how to love myself, how to stand tall even on hard days, and how to love people deeply and genuinely. You taught me how to laugh through pain, how to keep going, and how to carry myself with strength even when life felt heavy.

No matter what, you showed up for me. Even in moments when the world felt empty, I could always count on you. From the happiest moments of my life, like bringing Audryana into this world, to the painful moments we don't even like to speak on, you never turned your back on me. Not once. Your love never changed, and that meant everything to me.

You were truly the definition of a phenomenal woman. Strong, loving, selfless, beautiful, and unforgettable. There will never be another you.

I already know every time I hear our favorite songs, I'm going to think about you. I'm going to dance for you, laugh for you, and keep your spirit alive everywhere I go. You and Uncle left that part to me and Carwin now, and I promise we'll continue the legacy with love and pride.

I just hope you knew how much you meant to me. How much I needed you. How much of me is you.

I promise to keep pushing, keep growing, and keep becoming the woman you always knew I could be. I promise to make you proud every single day, even from down here.

I love you today, tomorrow, and forever.
And I'll love you for free, always.

One last thing...
"For real tho dawg!?"

FOREVER YOUR TWIN, YOUR BABYGIRL 🥰

"To my beautiful sister, you were my confidante, my childhood partner, and my best friend. Though you are no longer by my side, your beautiful spirit, endless kindness, and infectious laughter will live on in my heart forever. I am so lucky to have called you my sister.

I will love you and miss you every single day."

MICHAEL ALLEN (BIG BROTHER)

MY DEDICATION

You gave so much to our heart and soul, Full of beautiful dreams that went untold. You had so much hope for a brighter day. Why was my sweet flower plucked away?

I've cried the tears and faced the fears, Regretting the time we let slip away.

Since you've been gone, I am searching for answers, Trying to understand the path you were on, And wishing I could have carried the weight of what you were going through.

I'm missing you 🥰 - Your sis, Sherri Lynn Allen
