

*When Tomorrow
Starts Without Me*

When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
All filled with tears for me;
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.
I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too;
But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,
And said my place was ready,
In heaven far above
And that I'd have to leave behind
All those I dearly love.
