

Alex Foster Jr was born in Omaha, Nebraska on June 14, 1986 to Michelle Baker and Alex Foster Sr. He was affectionately known as "Monte."

Alex passed away on Thursday, April 2, 2026, surrounded by the love of his family.

He was preceded in death by his **grandparents**, Leroy Baker Sr., Denise Baker and Pat Foster and James Foster, Sr; **great-grandparents** Fredrick and Illa Cooper.

Monte attended Northwest High School and Benson High School. Over the years, he worked various jobs and made connections with many along the way. He never married or had children, but he deeply adored his nieces, Kamarra and Iviona, who held a special place in his heart. He was a devoted "Big Brother" to Jeremy, a bond that will never be broken.

Monte was someone who mostly kept to himself, but when you were fortunate enough to be in his presence, his love was always felt. He made it a point to never part ways without saying, "I love you" or "much love," words that will continue to echo in the hearts of those who knew him.

He was a true and devoted Raiders fan. Anyone who knew Monte knew you would never see him without some kind of Raiders gear on. He loved football and everything about it, and that passion was a big part of who he was. He also loved his 1979 Malibu.

Monte leaves to cherish his memory his loving family: his **mother**, Michelle Baker (Tony); his **father**, Alex Foster Sr. (Terry); his **siblings**, Jeremy Foster, LaTonya McDonald, and TaRon Cooper (Brittney); his **uncles**, Leroy Baker Jr., Brian Baker (NaKisha), and Andre Baker; and his **cherished nieces**, Ivy Foster and Kamarra Howard-Foster.

He also leaves behind a host of **cousins**, **aunts**, **uncles**, extended family members, and dear friends who will continue to honor his life and legacy.

Monte will be remembered for the love he shared, the memories he created, and the lasting impact he made on all who knew him.

DEAR MONTE,

Where do I even begin? Life is forever changed. Being in this world without you is going to be so hard. You were supposed to bury me, not the other way around, but God had other plans, and he makes no mistakes. I'm going to miss the long talks we used to have. You always told me "Momma, you have to stop worrying so much about me and bro, and live your life", but you all are my life. I don't want you to worry about me, take your rest. I promise you I will do the best I can to carry on. I will forever miss you! Rest in God's love my sweet, freckle-face redhead (don't be mad at me for that, I know you don't like when I say it, lol). I love you son! See you when I get there.

Momma
