

## Life Is But A Stopping Place

*Life is but a stopping place, a pause in what's to be,  
a resting place along the road, to sweet eternity.*

*We all have different journeys, different paths along the way,  
we all were meant to learn some things, but never meant to stay...*

*Our destination is a place, far greater than we know.*

*For some the journey's quicker, for some the journey's slow.*

*And when the journey finally ends, we'll claim a great reward,*

*And find an everlasting peace, together with the Lord.*
