

In Our Hearts

We thought of you today.
But that is nothing new.
We thought about you yesterday,
And days before that too.
We think of you in silence,
We often speak your name.
Now all we have are memories,
And your picture in a frame.
Your memory its our keepsake,
With which we'll never part.
God has you in his keeping,
We have you in our heart.

He took the Cambridge School Certificate Exam and received three GCE certificates in 1970. His favorite sports were football, soccer and basketball. In addition to sports, he enjoyed music, old school reggae and soca and one of his favorite artists was George Michael. During his trip to China, the Chinese people thought he was “Michael Jordan”, and kept asking for his autograph, after a while, he just stopped correcting them and went with the flow and enjoyed the celebrity status.
