Scott Hammond, 71, a loving husband, brother, and grandfather, of LaSalle, Colorado, passed away on October 16, 2026, in LaSalle, Colorado. He was born in Cambridge, Massachusetts to James and Norma Hammond.

Scott met and married the light and love of his life, Kathy Hammond, on October 27, 1984 in Saratoga, California. Together they built a life grounded in faith, love, and unwavering devotion; For each other and their children, Gary, Tim, Terese, Nicole, Kathleen, Jamie, and their grandson, Colton.

Scott dedicated many years of his career to Hewlett-Packard as the National Technical Support Manager. He took immense pride in his work and was highly respected for his steadfast commitment and reliability as an employee and as a person. Building connections and impacting the lives of all the people he came in contact with.

Scott was extremely passionate about all of his hobbies and was dedicated to his faith. Scott shared his love and knowledge with all willing to receive it. He had a drive for success he emanated in all his endeavors: whether he was with his family and friends at the cabin that he and his wife built in the beginning of their 42 years of marriage, or out on the lake in the boat he restored that had been passed down for generations. After a full life of work and travel, he retired and settled down in Colorado with Kathy where they bought a beautiful home on 5 acres. On any given day you could find him riding on his tractor, working on any number of his hobbies in his shop, or working on his homemade shooting range. If he wasn't at home, you would find him camping with his wife and friends, living his best life.

Ultimately, we could never cover all of Scott's accomplishments and adventures, but he was so blessed in his life. He gave so much love and received so much love. Every person that was lucky enough to meet him, will forever be touched by his loss and he will be tremendously missed. Thank you, Scott, for all the wisdom, memories and light that you brought into all of our lives. We will be forever grateful to you.
