## **God Saw You Getting Tired**

*God saw you getting tired,  
When a cure was not to be.  
So He wrapped his arms around you,  
and whispered, "come to me."*

*You didn't deserve what you went through,  
So He gave you rest.*

*God's garden must be beautiful,  
He only takes the best*

*And when I saw you sleeping,  
So peaceful and free from pain  
I could not wish you back  
To suffer that again.*
