Clinton Tony & Larry Kayseas

Lunch To follow the Funeral Service

Obituary

It is with sadness that the family announces the passing of Wallace Clyde Kayseas “Wally”, a kind-hearted and generous man who was loved by all who knew him.

Wally was a quiet, soft-spoken person who was easy to get along with and made friends wherever he went. His gentle nature and caring spirit left a lasting impression on family, friends, and everyone fortunate enough to cross his path.

He had a deep love for music, especially the music of Prince, which was among his favourites. Wally enjoyed spending time at the mall, meeting friends and family for coffee, and discovering new coffee shops. He also took pride in his appearance, enjoying stylish clothes and dressing up whenever he could.

Left to cherish his memory are his mother, Marlene Kayseas; his sisters, Amanda Kayseas (Remi Olson) Debbie Kayseass, Tanya Kayseas, and Mellisa Kayseas; his half brother Lorne Roper; as well as many nieces, nephews, cousins, extended family members, and friends.

Wally was predeceased by his father, Mervin Taysup; his sister, Wanda Kayseas; his nieces and nephews Nathan, Harley, Crystal, and Trey.

Though Wally's time with us was too short, his gentle spirit, warm heart, and love of life will be remembered always. He leaves behind cherished memories that will continue to bring comfort to those who loved him.
