

DEDICATION POEM

A POEM FOR PAUL

WRITTEN BY LATASHA MILLNER

Forever in Our Hearts

Though you have left this world behind, Your love still lingers, warm and kind.
The echoes of your laughter stay, Guiding us through each new day.

No more pain, no more fear, Only peace and love up here. In Heaven's light, so
pure, so bright, You walk with angels, bathed in light.

And though we part, we're not alone, For one day, when our time has flown,
We'll see your smile, we'll hold your hand, Reunited in that promised land.

Until that day, we'll keep you near, In whispered prayers and falling tears. A
father's love, so deep, so true, Forever lives in all we do.
