“And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. And I John saw the holy city, new Jerusalem, coming down from God out of heaven...saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.” Revelations 21:1-3

"Kiera, My Love"

God saw you getting tired, and a cure was not to be
So He wrapped His arms around you, and whispered, "Come to Me."
You didn't deserve what you went through, so He gave you rest.
God's garden must be beautiful, He only takes the best.
And when I saw you sleeping, so peaceful and free from pain,
I could not wish you back again to suffer that again.
Love, Your husband, *Kasshun*

"MOM"

You made the sun shine on a cloudy day
When we were sick, you kissed the pain away.
Your tender voice took away our fears
You hand that wiped away our tears
The love you gave so honest and pure
Keeping us forever safe and secure
You made flowers bloom in the spring
It was you who fixed our broken wing
Mom, because of you we now know love
Our guardian angel from above.
Love, Your Boys

"Daughter"

The moment that you died
Our hearts were torn in two,
one side filled with heartache
the other died with you.
We often lie awake at night,
when the world is fast asleep, and
take a walk down memory lane,
with tears upon our cheeks.
Remembering you is easy,
we do it every day,
but missing you is heartache
that never goes away.
We hold you tightly within our hearts
and there you will remain.
Until the joyous day arrives,
that we will meet again.
Love, Your Parents

"Until We Meet Again"

Those special memories of you will always bring a smile
If only I could have you back for just a little while
Then we could sit and talk again, just like we used to do
You always meant so very much, and always will do too.
The fact that you're no longer here will always cause me pain
But you're forever in my heart until we meet again.
Love, *Ewell*

"Sister"

We're blessed to call you sister, we also call you friend;
You loved us unconditionally, and stood through thick and thin.
You've shared our joys and sorrows, our laughter and our tears,
You've been our inspiration, as we grew up through the years.
When we were little children, we laughed and played together;
Then growing up you stood by us, through stood and stormy weather.
There's something God has given us, that's more than family;
He's placed a love for you, our Sister, deep down inside our hearts.
Love, Your Siblings

"To A Loving Cousin"

Although our worlds are different now, or is that just how it seems?
For I see you when I close my eyes, because you're always in my dreams.
I know you're up in heaven and looking down on me
And when I look up at the stars, I know that's where you'll be.
Even though I miss you, you're not too far away;
Because my heart is full of memories and I treasure them every day.
Our times on earth was special, but it's only the very start;
So please keep watching over me while we're not so far apart.
Someday the time will come when I longer feel this pain
That is the day when Heaven calls and we will meet again.
Love, *Samiya Dee*
