## Obituary

Born Brenda Sue Render in Central City, Kentucky to George and Mae Louise (Hampton) Render. Brenda was the eleventh of twelve children. After moving to Cincinnati at a young age, she went on to graduate from Princeton High School in 1968. She then worked at AT&T until her retirement 30 years later.

Brenda worked incredibly hard to provide a home for her two children. Her son, Rajohn, and her daughter, Nicole. She also has two grandsons, Rajohn Womble and Deijohn Kiner. After retirement Brenda enjoyed being at home: gardening, doing crafts, small home improvement projects, listening to music, and caring for stray cats in the neighborhood.

Brenda was involved with a multitude of charities and helped locals in the neighborhood by having them do work around the house. During her life Brenda struggled, and over time allowed more and more distance to come between friends and family, but her love for both was always there. We ask that you remember the good times, the importance of family and friends, and that life, with all the good and bad, the happiness and sorrow, is incredibly precious.

She leaves to remember her two children, Rajohn and Nicole; she was blessed to have two grandsons, Ray Jr. and Deijohn; sisters, Lena, Carol and Gloria; a brother, Gabriel; and a number of nieces and nephews.

### *Acknowledgements:*
