Obituary

Freddie Ruth Freeman was born on August 17, 1947, in Cincinnati, Ohio, to Hulon Kimmons and Hazel Kimmons. She peacefully departed this life on May 20, 2026.

A graduate of Central/Courter Technical High School, Freddie later pursued studies in Early Childhood Development at the University of Cincinnati.

She dedicated her life to caring for children through her work at Loving Arms Daycare, Saint Agnes School, and the Community Action Head Start Program, where she retired after many years of service.

Known to many as "Miss Freddie" and affectionately called "Aunt Freddie" by family and friends, she was admired for her grace, kindness, gentle spirit, and unwavering love for others. Through her patience, wisdom, and compassion, she touched the lives of countless children and families throughout the community.

Born into the Catholic faith and later embracing the Baptist faith, Freddie lived a life rooted in love, faith, compassion, and devotion to family.

She enjoyed spending time with family and friends, shopping, celebrating special occasions, and creating lasting memories with those she loved.

She was preceded in death by her parents, Hulon Kimmons and Hazel Kimmons, and her late husband, Harry Lee Freeman.

Her memory will forever be cherished by her loving family, dear friends, and all whose lives were blessed by knowing her.

A Daughter's Tribute

My mother was my protector, my teacher, and my greatest source of strength. Through her love, guidance, and unwavering support, she helped shape the woman I am today.

Like a butterfly, she has spread her wings and found peace. Though she is no longer by my side, her love will forever remain in my heart.

*I Love You,
Momma*

*Butterflies are
little messengers
from Heaven, sent
by loved ones to
remind us that
they are always
near and forever
in our hearts.*
