Amen.

It is with heavy hearts and great sadness to announce the sudden and tragic loss of our loved one, Magnus Sidney Abraham Grey, Saturday, March 5, 2022, in Moose Lake, at the age of 18 years old.

Magnus was born in The Pas, Manitoba, Thursday, September 11, 2003 to Edna and Russell McNabb. He was raised in Moose Lake throughout his short life.

Magnus attended Frontier Mosakahiken School and reached grad 10/11. Magnus and Isabel were always bestfriends; always together and just blossomed. Kayson John came into their lives and that was their greatest joy. He loved his baby boy so much; his baby was his world.

Growing up Magnus learned a lot from his parents. He looked up to his parents and whoever showed him to fix or do things on his own. This is how he learned to play guitar, drumming, carpentry, fixing bikes and just being a helpful hand to anyone that needed it. He always loved listening to his mother and auntie Verna sing. He also enjoyed spending time with his parents and siblings and always found ways to make them laugh by his joking and wrestling.

Magnus also had a passion and that was soccer. His team, 49er's, he would also call his teammates brothers. He also worked for the cleanup crew of MCN. His spare time he would play cards, bingo, slots, listening to music and just taking selfies. While in Whisky Jack, he was taught a lot about the traditional culture and met a lot of people there. He enjoyed his stay there. As a young child he loved visiting with his grandparents and was a very loving, funny and happy child and as he grew he became a very outgoing and cool guy which is why he made so many friends. He enjoyed being with friends and family by the bonfire.

Magnus will be greatly missed by everyone that knew him. He has touched many lives and left a lot of memories.
