God's Garden

Dr. Patricia H. Aman

*God looked around His garden
And found an empty place.
He then look down upon the earth
And saw your tired face.
He put His arms around you
And lifted you to rest
God's garden must be beautiful
He only takes the best.
He knew that you suffering.
He knew that you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So He closed your weary eyelids,
And whispered, "Peace be Thine."
It broke our hearts to lose you.
But you didn't go alone.
For part of us went with you
The day He called you home.
We love you.*
