

Farmer – Father

*Just the homey, simple things,
My father loved, that dusk time brings –
Sunflowers down a turning row,
Fallow field where a man can sow,
Work-worn hands that knew no gloves;
Home and family his true loves.
He could look into the sky,
Rightly say when showers were nigh.
He could measure the setting sun,
Knew when working hours were done.
Little schooling could he claim –
But good at figurin' all the same;
Knew how much a bin would hold,
counted his share when the crops were sold.
Up in God's eternity,
I'm sure he's measured carefully
And scored highly all his worth –
Just simple things down here on earth.

Obituary

Donald "Don" D. Farr, 96, of Stockton, KS, passed away on February 1, 2026, at Solomon Valley Manor in Stockton.

Don was born on March 20, 1929, on the family farm near Stockton, Kansas, to Roy George and Ellen Aukus Farr. From the very beginning, farming, family, and hard work were part of who he was. He graduated from Stockton High School in 1947 and soon after proudly served his country in the United States Army until 1953. During his service, he was stationed at Fort Riley and served in Korea—something he carried with quiet pride throughout his life.

On April 1, 1956, Don married Georgia Schultz at the Stockton United Methodist Church, and together they shared nearly 70 years of marriage. They built a life grounded in faith, hard work, and family, and Don remained a faithful member of the Stockton United Methodist Church throughout his life. He was also a lifetime member of the Stockton VFW.

Don devoted his life to farming and ranching, raising registered polled Hereford cattle, milking cows, and hauling milk to a cheese factory in Bogue, Kansas. A true jack-of-all-trades, Don was a mechanic, carpenter, and fabricator who could fix, build, or invent just about anything. He built his own machine shed, created tools to make farm work easier, helped the Rooks County road crew, assisted the Bigge family with moving houses, and drove truck whenever help was needed. He loved farming, working with his hands, and even had a special fondness for his pet bull, Old Joe.

Don was deeply involved in the lives of his children and grandchildren, who loved him dearly. He will be remembered as a loving and devoted husband, father, grandfather, and great-grandfather.

He leaves behind his loving wife, Georgia Farr of Stockton; children, Steven (Joan) Farr of Stockton and Linda Iman of Alton, KS; two grandchildren, Christina (Wayne) Graf and Rebecca (Joseph) Grim; and six great-grandchildren, Krystel, Koltyn, Katelynn, and Kody Graf and Joseph and Steven Grim.

He is preceded in death by his parents; brother, Charles Farr; and sister, Margaret Burge.
