

A CELEBRATION OF THE LIFE OF

I never thought you would be leaving this soon.

Looking down the street seeing a tall black man who stood strong,
you would have never thought anything was wrong.

It was never the time to let go of the thoughts that be held Him, but
one thing everyone could do was call on him.

I thought things could have ended up different,
but God took control of him.

It was never a good-bye; he left letting us know that it was time to be
strong he put up a fight for way too long, wipe them eyes, those aren't tears
you cry. The pain is gone I can't believe my uncle went home.
