

TRIBUTES & POEMS

To My Mother

Although I cannot hear your voice or see your smile anymore,
I know you walk beside me just as you did before.
I'll miss you listening to my stories and wiping my tears away.
You understood me, protected me, cared for me, and loved
me endlessly. Your human body has left, and I can no longer
see you with my human eye, but I know you will gently show
me your spirit is still alive because our bond will never die.

Love Your Son,
Lenny

Missing You

A thousand words can't bring you back
We know because we've tried...
Neither will a thousand tears
We know because we've cried...
You left behind broken hearts
But we have happy memories too...
But we'd gladly trade those memories, for one more day with you.

Love You Forever,
Shakkie, Lenard, Charisse, Sirron, Tiffany, and Janae
