*Celia "Diana" Moen*

January 24, 1944 - April 7, 2026

**HANSON  
RUNSVOLD**  
Cremation • Burial

*This fragile tent of dust and breath  
Has gently folded, laid to rest;  
The treasure once held deep within  
Now dwells with God, forever blessed.*

*The clay returns again to earth,  
The soul set free from time and pain;  
The light once carried in this vessel  
Shines on, eternal, once again.*
