

My Wife

My wife is that special women
you could write a book about.
The one you love to be with
and couldn't do without.

My wife is a gentle look,
a hand within my own.
She always makes me proud
to feel that she is mine alone.

My wife understands my moods
and laughs at things I say.
She sees me at my worst
and loves me anyway.

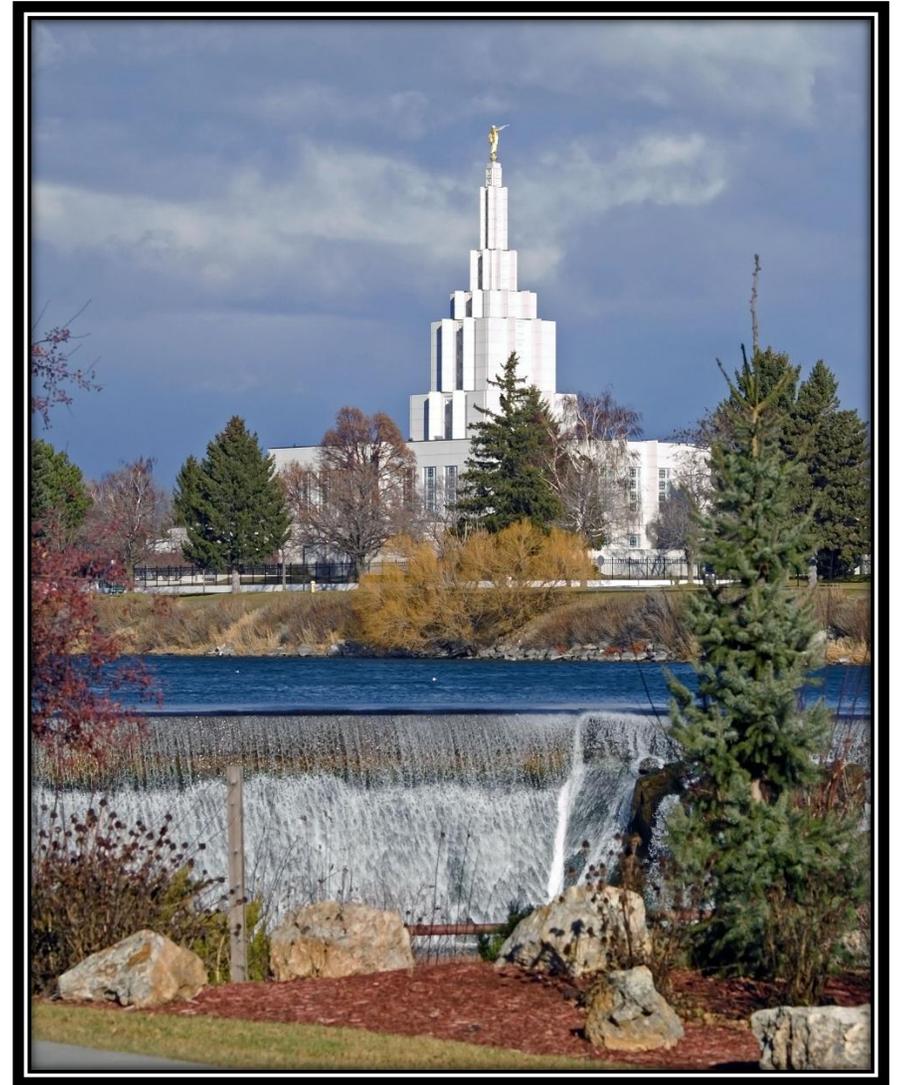

My wife is the one I kiss
and make up with again.
when there's a little difference
of opinion now and then.

She is that special woman who shares
all I'm dreaming of.
and gives a magic meaning
to the wonder that is my LOVE.
