“Time to Say Goodbye” Andrea Bocelli

When I'm alone I dream on the horizon and words fail; yes, I know there is no light in a room where the sun is absent, if you are not with me. At the windows show everyone my heart which you set alight; enclose with me the light encountered on the street. When you are far away I dream on the horizon. Yes I know you are with me, my moon, my sun, you are here with me. Time to say goodbye to countries I never saw and shared with you, now, yes, I shall experience them. I'll go with you on ships across the seas which, I know, exist no longer. With you I shall re-experience them. I'll go with you. Its time to say goodbye.
