God Saw You Getting Tired

*God saw you getting tired,
When a cure was not to be.
So He wrapped his arms around you,
and whispered, “Come to me.”*

*You didn't deserve what you went through,
So He gave you rest.
God's garden must be beautiful,
He only takes the best*

*And when I saw you sleeping,
So peaceful and free from pain
I could not wish you back
To suffer that again.*
