## *For Mothers*

*There is a legend  
That's still believed today,  
That God created mothers  
In a very special way.  
He took a dash of wisdom  
to this he added love,  
and mixed in all the kindness  
he could find from up above  
and when he was all finished  
he sent them from the skies  
today we call them "mothers"  
but they are angels in disguise.*
