He was predeceased by his parents' Margaret and Walter Genaille, his step father Percy Pierone, his brothers Basil, Nap, Bert and Robert and his brother in laws Alec and Percy, his sister in laws Janet and Clara and his nephew Elijah.

Joseph “Tony” Genaille, age 72 years passed away peacefully in his sleep at St. Anthony's Hospital on July 11, 2022.

He was born on January 22, 1950 at St. Anthony's General hospital to Margaret and Walter Genaille. He lived his whole life in Cormorant Mb. As a teenager he spent time trapping and fishing with his dad down the river at Frog Creek and many seasons hunting with his brothers over the years. He enjoyed spending time with his children and grandchildren teaching them about nature, berry picking and hunting, while stopping on many road trips just to look at the flowers. Tony worked for CN, Turner Logging and Moose Lake Loggers before he took on the community T & I Taxi with his wife in 1993.

In his later years Tony enjoyed his time playing games on his iPad, sitting in his chair, enjoying annual family camp, talking on the phone to family and friends. He always had something funny or smart to say to tease all of his visitors, many became regular fighting partners. He always made sure the neighborhood kids had treats in the summer sending his wife out to give them a cool treat.

He served his community as a councilor, a round table member, minor hockey committee, school committee, to name a few. He involved his children in fundraising for minor hockey collecting aluminum cans for recycling and he was always behind the scenes supporting his wife in her numerous community events and working together to come up with ideas.

In his later years Tony struggled with kidney failure. He promised his aunt Clara that if he ever got a kidney transplant that he would go to France to visit her. In 2018 he fulfilled that promise when he got a clean bill of health and went with 2 of his daughters to visit and sight see for 3 weeks. Before that he travelled to the west to the BC mountains and east to Niagara Falls on trips with his children and his mother.
