

Cuddled in Heaven

*We had so little time to share,
Too soon, I had to leave.
I know how much you love me,
I know how much you grieve.*

*I know how sharp your pain is,
I feel the aching in your hearts.
My life so quickly ended
Before it barely had a start.*

*I remember how you held me,
And kissed my face and hands,
You cuddled me so gently;
But, God had other plans.*

*I was your perfect angel,
From God you knew I came,
Suddenly He called me home again,
And now God holds my hand.*

*I know you'll always miss me,
I understand your pain is hard to bear.
Just remember that I'm in Heaven
And we'll see each other there.*

*So smile when you think of me
and wipe away all of your tears.
I'm cuddled now in heaven
By our family members here.*

*I'm waiting here in Heaven,
And on the day we meet again.
I'll be the first to smile and greet you,
When God calls you home to Him.*
