In Loving Memory of Charlie Kirk

We mourn the tragic loss of Charlie Kirk, a passionate voice who stirred conviction and courage in countless hearts. His dedication to shaping young minds and championing his beliefs left an indelible mark on the landscape of American discourse. Whether one agreed with him or not, his presence was undeniable—bold, unyielding, and deeply committed.

To his family, friends, and all who walked beside him: may you find comfort in the memories of his fire, his faith, and his fierce devotion. May the grief you carry be softened by the knowledge that his legacy lives on in every life he touched.

In this moment of sorrow, we hold space for mourning, reflection, and the quiet hope that healing will come.

TERESA MARTIN

Charly, has sido una persona muy valiente que has defendido tus ideas abiertamente ante personas que no pensaban como tú. Eres un ejemplo para las nuevas generaciones. Dios te guarde en su Reino.

Erika, I am so sorry for your loss. My thoughts and prayers ate with you and your

children during this difficult time. I only came across Charlie recently. His faith, truth, coutage, determination, and facts pulled me out of a dark place in my life. Being stuck in a country with no identity (Canada), seeing Charlie speak gave me hope, hope that I had lost years ago. When I saw the horrific news I was absolutely mortified. At first I was in denial, then shock, then disbelief. I could not fathom how someone could so recklessly take another person's life just for his free speech.

I can't begin to describe how saddened I am to hear of your passing. I have been watching past videos of you and I am so upset that such a bright light has been snuffed out way too soon. I can tell by these videos that you were such a long father and partner, god fearing man. I wish I could've had the opportunity to meet you when you were still here, but I will carry your voice and message with me. Your voice will not go out. I pray that you're looking over us and guiding us with the correct message that needs to be brought to light. I pray for your family during this very tragic time. Hello boys and girls! Welcome back. Come along and join in on this exciting and fun-filled lesson about flying! [Copy and paste <https://youtu.be/Y4ajkbeHneo> into your friends and family members' contact page to watch.]

Today, at Hope In God Bible Club, we will learn how even as Enoch and Elijah did not die, so there will be some Christians who will still be alive who will also fly up and meet Jesus at the event "called the rapture."

Ms. Heather will include: How anyone can be saved from their sins and be ready so that when God calls up the saved to heaven, they will hear his voice, not being spiritually deaf as the unbelievers will be. We love and pray for you daily to know and grow as newborn babes in Christ", 'til next time, God bless,

Charlie and Erika - Treasures in earthen vessels.

On the way to church this morning, I turned to my wife and asked, "How will the minister, officiating the service, sum up Charlie's life in a few minutes?"

Her response, "Faithful"

Thank you, Charlie

I am almost 67 years old and I am writing from Spain. I am a Catholic Christian Spaniard.

Dear Charlie,

I had never heard of you until the day of your assassination. The day after, one of my closest nephews—who is the same age as you —told me he was one of your millions of followers. Since that day, I have been watching your talks and videos.

Your courage, determination, and love for God, your family, and your country have been a beam of light and hope for me. Thank you, Charlie, your legacy will remain forever and will spread throughout the world. There is no doubt about it. Now, you are free with the best companion in Heaven, closest to God, embraced by Him. Charlie, you can proudly say with Saint Paul: "I have fought the good fight, I have finished the race, I have kept the faith."

Thank you, Erika, for your generosity, your kindness, and your commitment to Charlie's legacy. God bless you, your children, and all your family. Please, Erika, go on. We need your testimony here in Spain, in Europe, and in this crazy world that embraces all kinds of nonsense and garbage, as your husband said. My prayers and my Rosary are offered for Charlie, you, and your family. God bless you always.

Please accept a huge hug, my humble prayers, and my deepest condolences on behalf of my family and me. es

I had the privilege of listening to Charlie from the very beginning of his journey, and I was always

struck by his wisdom, faith, and the incredible potential he carried. Though I never had the honor of knowing him personally, like so many of you, I truly feel as though I've lost a dear friend.

For the past year, I have been listening to Scripture and praying, but because of Charlie's example, my husband and I were inspired to take the next step—today we went to church together for the first time. That is the impact of his life: he touched hearts, moved people closer to God, and built a community of love and faith.

I will start listening to Charlie Kirk podcasts. His God given wisdom is like a treasure chest we all can learn from. The enemy of his and our souls has no authority over Father God's Holy Word. Prayers for his family, friends, and everyone mourning the loss of this martyr. ❤️🙏

The whole world is grieving you, Charlie! It brings me comfort knowing you are in the loving arms of Jesus up in heaven. You did NOT deserve this. You were just doing God's work of spreading the gospel. And as you said, it's the greatest news! I've been crying on and off since I found out about what happened to you, and I think it's because you are our brother in Christ. I think God sent you to speak to the world. Everyone was listening, even those who disagreed. You spoke so unapologetically and with such conviction. You weren't afraid to speak the truth. You weren't afraid to shout your love for God. We are really, really going to miss you. Well done, good and faithful servant.

Thank you, Charlie, for your Faith and Courage; for standing true to our Savior, Jesus Christ! May we all, as

Christians, find that same strength to stand for what is Right, even if it costs us everything! What a great reward it is to be a martyr for Christ! WORDS...MMMM..MM..WORDS... Well, in ALL honesty...Words just absolutely ,most definitely can not even come within reach of my tongue from even trying to imagine what to say in a time such as this! My hurt for your immense heartache and pain... I can not even fathom! And to even say that I know such a pain or know what you and your family are feeling and going thru right now...would do nothing more than be iof a great disservice to you and your beautiful family. Because I just simply do not have ANY IDEA honey. And to say that I do know..would just be dishonest and untruthful!

It is the great gut wrenching sadness that takes over,so much, that WORDS hold ABSOLUTELY ZERO meaning from man.. ESPECIALLY in a time such as this. BUT

My deepest sympathies to the dear family of Charlie. It's going to take a while for our country to recover from the devastating loss of Charlie Kirk. I can't imagine how the family and close friends are making it through this difficult time. But, we are praying for you all. Although I never even met Charlie it feels as though I knew him well through his videos, podcasts, and interviews. I am so grateful for the work that Charlie founded along with the profound impact he had on our culture. Because of his tragic death I know several, including myself, who have already committed to serve in whatever capacity they are directed to by God. It is my hope that the tears and sorrows we have now will soon be replaced with purposeful acts that include respectful dialogue aimed at restoring unity amongst our fellow citizens, regardless of political affiliation. So help us God.

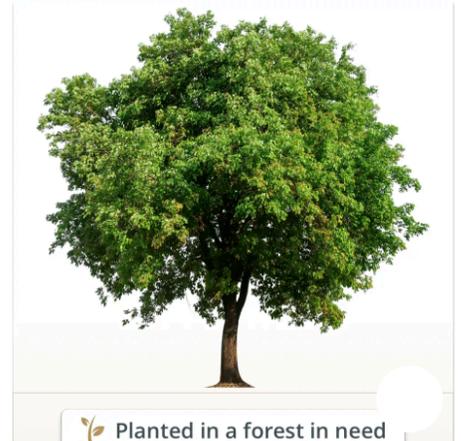

DEBORA ROUSE

..BUT, BUT ,BUT THO....
BUT GOD!! AMEN!! B U T GOD!! THAT POWERFUL, ALL KNOWING AMAZING GOD WE SERVE...NOW HE WILL COMFORT YOU, WILL BRING THAT SENSE OF PEACE TO YOU AND YOUR FAMILY THAT SURPASSES BEYOND ALL UNDERSTANDING! AMEN!! AND IN THOSE WORDS SPOKEN, BECAUSE HE IS THE WORD! AND IN THEM, is absolutely ZERO DOUBT because of TRUTH, FAITHFULNESS, MERCIFUL, LOVING,AND THE GRACIOUS GOD WE SERVE! AND HES GOING TO SEE TO IT THAT YOU, MR. CHARLIE KIRK, SIR, ARE GOING TO NEVER EVER BE FORGOTTEN! HE'S GOING TO BRING SO MUCH BLESSING UPON YOUR FAMILY DOWN HERE ON EARTH..ERIKA,and YOUR BEAUTIFUL BABIES.. BECAUSE YOU SIR...Y O U, WERE A CHOSEN ONE! WHOM I TRULY BELIEVE HAD GOD'S FAVOR! And I didn't have to listen to not one podcast,go to any rallies, or even be an acquaintance to KNOW ANY OF THAT! FROM THE FIRST TIME I LAID EYES ON YOU AND YOUR BEAUTIFUL WIFE AND CHILDREN,I IMMEDIATELY FELT A CALM AND EASY SPIRIT OF GOD JUST WASH OVER ME INSTANTLY! Taking me back to a place of what EXACTLY it meant to be a TRUE GOD FEARING CHRISTIAN FAMILY! The "TRUE AMERICAN DREAM"! My childhood came rushing back in every look and caress you gave your beautiful God send wife, the way you held and played with your children...The depth of love you had all the way to the core of your soul when you would just look at all of three of them...The light of Jesus Christ shining thru just told me deep in my heart of hearts.. THAT MAN RIGHT THERE IS MOST DEFINITELY A TRUE MAN OF GOD FIRST and FOREMOST, a loving,caring, faithful and loyal GODLY HUSBAND, and Father who would have most definitely raised his beautiful babies up in the way the should go..for if they ever did stray away..they would MOST CERTAINLY come back to it! AMEN!! A MAN THAT THRIVED TO BE THE BEST SERVANT AND WARRIOR FOR GOD SO THAT HE COULD ALSO BE THE HUSBAND AND FATHER HE NEEDED AND WANTED TO BE!!
SO, as I can not write down any memories as far as knowing you personally or knowing your family...and as I can not sit here and write down any thing that I have watched by you, listened to by you nor

God Bless you Charlie. Your actions have shown many to path to God.

Charlie was inspiration to so many myself Included. He truly and deeply loved his heavenly father and strived to share his God with everyone each and every day . He was a warrior for christ and always stood up for his beliefs. My heart is broken for you and your children and you are in my prayers.

Sending strength and healing to Erika, Charlie's family, and all my love to the children. Charlie was

loved by so many including those that never met him. Big shoes that will be difficult - if not impossible - to fill but hoping those close to him will carry the

even attended an event that you held.
BUT, this I can say with truth and as a sister in Christ- THE MEMORIES of those VERY FIRST (stills); PICTURES of YOU and Ines with your family...THEY WILL FOREVER BE IMPRINTED in my mind, on my heart,and will forever remind me- That, ONCE UPON A TIME THIS WAS EXACTLY HOW MY FAMILY LIVED. MY DAD, MY MOM,and ME!! In a God fearing Christian Home where my Dad had a love for Jesus that was immeasurable, faithful,and unstoppable! A love for my mother that was Godly, unconditional and unwavering, and last but not least, a Godly love for his child that truly set him apart from any other father in the whole wide world! And then apart from all that..THE LOVE and COMPASSION he had for EVERYONE ELSE!! The help he always lended without question nor a favor in return! I say all that to say this- YOU, SIR, WERE NOT ONLY A GREAT INSPIRATION! BUT YOU SIR, WERE THE GREATEST ALL AMERICAN GOD FEARING MAN WITH A LOVE SO DEEP AND A COMPASSION EVEN DEEPER FOR GOD AND YOUR FAMILY!! And if ANY ONE MAN ON THE FACE OF GODS GREEN EARTH THAT EVERY OTHER MAN SHOULD STRIVE TO BE LIKE ..

CHARLIE KIRK- THAT MAN WOULD BE YOU, SIR!

I've only ever said that about one other man in my life! And that was my own father! And I never ever met one and not even SEEN ONE since I was born nor after his passing... NEVER EVER! Bcz they just didn't make em like that anymore! Now those words to you I speak, are TRUTH! And I may not know you or your family and friends..but I do know and understand that YOU and YOUR FAMILY are about all things TRUE! AMEN ..
BUT NO SIR, THEY DIDNT MAKE EM LIKE THAT ANYMORE...

UNTIL GOD MADE YOU SIR!! you SIR..Mr.Charlie Kirk

MANY PRAYERS, CONDOLENCES ,and My HEART GOES OUT TO YOU BEAUTIFUL ERIKA and YOUR BEAUTIFUL CHILDREN!
MUCH LOVE and MANY BLESSINGS! MAY GOD WRAP YOU ALL IN HIS DIVINE PEACE AND COMFORT!

LOVE A SISTER IN CHRIST,

My deepest sympathies to The Kirk Family. May God give them peace, comfort and strength during this very difficult time. Please know Charlie touched a lot of folks, as evident on social media, whether good or bad. Either way, it showed he was doing a great job sharing the gospel. Charlie shared his Faith, I believe with grace and dignity. He talked to whomever wanted to listen or asked questions of him. I didn't know him but like others I have shedded tears because of what he stood for and violence of how he was taken. It saddens me how he was assassinated especially in front of his family and so many folks and shared all over social media. Breaks my heart for loss of this amazing man of Faith and a Patriot. Breaks my heart for short time he had with his wife and children. His life was cut WAY too short. I believe because of this great loss of Charlie, there will be a bigger Revival of souls saved, folks accepting Christ as their savior. Millions of Charlie Kirk's to pick up his mic and spread the gospel. Never forget him and his sacrifice. God had a purpose for Charlie. May he RIP. 🙏❤️

I look to the faithful of the land ; they alone can be my companions . Those who follow the way of integrity , they alone can enter my service .

Psalms 101 : 6

Thank you Charlie for your integrity for the values that you shared with those you came into contact with .

We've watched and we've learned ,you taught us all well , you shared your values making it known God was first and foremost in your life .

Now we have to step up to continue what you started to ensure that no voice goes and heard to share the love of God with those who need to hear it . We will forever be grateful to you . We're praying for your wife and your beautiful children knowing that they too will stand strong . We will fight to protect them and help champion your cause . I asked God to please bless this family in this time of grief . Give them strength and the love that they need to rise above this . Let their voices continue to be heard as they carry on where Charlie left off .
