## **WE WERE ONE SOUL TWO HEARTS**

We were one soul with two hearts, from the very start I never thought we'd be torn apart. A shared reflection, a built in friend, I never imagined would come to a sudden end. Now silence echoes where you should be, but I feel your spirit close to me. Your smile, your laugh, your sound and your cry; I'll cherish the time I cared for you. I walked with you in my arms and saw you with your loving eyes that often said THANK YOU with a smile. Yes a part of me left the day you died, but you will live on in the love I have for you. My dearest twin, I'm still apart of you. You're the starlight, the quiet air, a constant love that no one else could compare. Yes the world feels different and life for me is new without you. I'll keep my promise I made to you, I'll live now for two. Until we meet again in the quiet dawn.

My twin, my soul.

Love Alex

## **TRIBUTE TO MY SON**

You were loved from the very start. You taught me more than you would ever know about love, about life and about being true. The bond we shared can't be broken. Though you spoke no words; the laughs, the big smiles, and the strength you had made me also glad to be your dad. Gerrick, my son, my joy, now my shining star. I'll always hold your memories close in my heart. I loved you then and now I love you from within.

Love your Dad

# **FOREVER LOVED**

## *Never Forgotten*

Though you have left us, you are never truly gone. Your light continues to shine, living on in every heart and every prayer, and your memory remains beyond compare. The laughter we shared and the love we knew fill our hearts with strength and warmth, even as we miss you more than words can express. In every step we take and every challenge we face, your spirit guides and comforts us. Though the days ahead may bring tears, we take solace in your enduring grace. Held forever in our hearts, your love remains strong, pure, and everlasting.

## *Prayer*

**Heavenly Father,**

We commend Gerrick's soul into Your loving embrace. May he rest in eternal peace, free from pain and sorrow, surrounded by Your endless love. Let his faith, kindness, and love continue to guide and inspire us each day. Give us comfort and strength as we honor his memory, keeping his spirit alive in our hearts forever.  
**Amen.**
