TRIBUTES

To Our Brother

*In life we loved you dearly, in death we love you the same.
It broke our hearts to lose you, you did not go alone,
for part of us went with you the day God called you home.
You left us peaceful memories, your love is still our heart,
and though we can't see you, you are always at our side.
Our family chain is broken, and nothing seems the same,
we just know that we will miss you and love always.*

Love Your Siblings

To My Dad

*My heart changed when you left.
Time froze and I wanted to hide.
It was a moment that will stay with me
forever the day my Daddy died.
I am remembering good times and forgetting the bad,
holding onto special times and laughter we had.
I'm living for today, because it's what I must do,
but that doesn't me from thinking about you.
I will love you always and forever.
One day Heaven will bring us together.
So, watch over me daddy, as I know you will do,
and I will keep remembering how I love you.*

Love Your First born

To My Dad

*There is not a day that goes by,
when I don't think about you dad.
All the time we shared together all the fun we had.
I love you and I miss you each and every day.
You left me a hole no one can fill.
When the angels took you away.
But I will hold onto the memories,
and hold them forever in my heart.
I keep a little piece of you with me,
so, we are truly never apart.*

Your Baby Girl
