

**ACKNOWLEDGEMENTS**

Perhaps you sent a lovely card  
or sat quietly in a chair.  
Perhaps you sent those beautiful flowers,  
that we saw sitting there.  
Perhaps you spoke the kindest words,  
as any friend could say.  
Perhaps you were not there at all,  
just thought of us that day.  
Whatever you did to console our hearts,  
we thank you so much for whatever part.

# LIFE'S REFLECTIONS

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." ~ John 3:16

Sylvia Renee Barton was born April 21, 1970, to Theodis Acy West & Peggy Ann Newman in Chicago, IL. She was the youngest girl out of thirteen (13) children.

In 1988, Sylvia graduated from Lucy Flowers High School. She was born into New Mount Pilgrim and gave her life to Christ under Reverend John McCoy.

In early 2000s, Sylvia married Johnny Barton and later separated. She later met the love of her life Reginald Holmes who she was engaged to and who cared for her until she transitioned.

Sylvia joined the Pontiac Night Riders where she gained the name that she was affectionately called to this day "Big Krazy" with a "K" and definitely not a "C". She later joined the Mississippi Panthers Motorcycle Bike Club in 2013.

Sylvia was always the life of the party and is known for her large sense of humor. She enjoyed cracking jokes and had a very special love for music. She has touched the lives of many people across the world, leaving an impact that is irreplaceable.

She was preceded in death by, her mother: Peggy Newman; father: Theodis Acy West; stepfather: Clemon Boochie Fox; and four (4) brothers and two (2) sisters.

She is survived by her fiancé: Reginald Holmes; her loving children: Latisha, Willie (Jasmine), Raymona, Amarre, and Ashanti, all of Yazoo, MS; siblings: June Jones of Merrillville, IN, Renard Fox of Chicago, IL, Robert Earl Fox of Chicago, IL, Tommie Pope of Cleveland, OH, Lamar Pope of Cleveland, OH, Dianne Spivey of Detroit, MI, and Naydine Fox of AZ; three (3) special godchildren: Melinda Hayes, Misaundra Jenkins and Cleveland Nelson; twelve (12) grandchildren; and a host of nieces and nephews who she loved all dearly.

Thank you to her caretakers who took great care of her until she transitioned: Lamesha Johnson, Elay (Red) Dennis, and her fiancé Reginald Holmes.

"Afterglow"

I'd like the memory of me  
to be a happy one.

I'd like to leave an afterglow of  
smiles when life is done.

I'd like to leave an echo whispering  
softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.

I'd like the tears of those who grieve,  
to dry before the sun;  
Of happy memories that  
I leave when life is done.

## TRIBUTES

### A Broken Chain

We didn't know that morning God was going to call your name.  
In life we loved you dearly, in death we love you the same.  
It broke our hearts to lose you, you did not go alone.  
Because part of us went with you the day God called you home.  
You left us with wonderful memories, your love is still our guide,  
Although we can't see you, you are always by our sides.  
Our family chain is broken, and nothing seems the same,  
But as God calls us home one by one, the chain will link again.  
**Love Always, Your Children**

### My Moochie

A towering force, a heart of gold,  
Loved by many, feared and bold.  
A true protector, a guiding light,  
Navigating darkness, day and night.  
From Chicago, Mississippi, to the Great Lakes' shore,  
Your mark on every soul you'd pour.  
Cherished family, through trials you'd stand,  
A force to be reckoned with across the land.  
Your legacy lives on, in Mona, Missey, Moonie, & Amarre  
Golden apples of your eyes, forever free.  
The foundation's strong, your girls and boys will thrive,  
Rest in peace, dear TeeTee, your spirit will survive.  
In heavenly hands, your soul now soars,  
A peaceful journey, forevermore.  
**Love, Retina ♥ Your Celie.**

### A Letter to My Auntie

Our relationship was different from the rest of your nieces. I was someone you didn't play about. I was your apple bottom, and you were mine. My heart fell into my stomach as I heard the news because I never knew this was coming because the week before we were texting each other at 6 in the morning. You hurt me bad! It hits different because you wanted me so bad to have my baby on your birthday and you got just that & you were so happy and said she was your baby. This hurts but I know you aren't in pain anymore & I have to understand that so know that I love u, and I got your sister love.
