Obituary

Jean Pricilla Dottin-Johnson was born on January 30, 1933, in Boston, Massachusetts to the late Carol & Nora Stephens-Dottin. She attended the Boston Public School System. At an early age Jean gave her life to Christ, and through her life's journey she remained faithful to the end.

As a young girl she always had a passion for sewing, making and cutting out her own patterns. She followed her passion and took up home economics in school which helped her dream of becoming a seamstress a reality. She has designed garments for all kinds of events, weddings, proms, church, anniversaries, socials, costumes, all kinds of occasions, you name it, Ms. Jean did it.

Jean met and married Frank Johnson Sr. and from that union children were born, Phyllis Johnson, the late Frank Johnson Jr., the late Clifford Johnson, the late Cheryl Johnson, Keith Johnson, Eugen Johnson, Crystal Johnson-James.

As a woman of family and faith Jean Johnson loved and cared deeply for her children and family. She was a devoted single mother that did everything she could to nurture and provide for her children. Her talent & gift of being a seamstress helped her to provide a stable home for her children. She was a very good friend and listener to many people. She had a great sense of style and taste, amazing sense of humor, a great sense of Christian spirit, a warm heart, the brightness in her smile lit up a room, her genuine spirit was full of love. She was a true woman who had worn a lot of hats in her life time as a, daughter, granddaughter, niece, sister, cousin, wife, mother, aunt, grandmother, great-grandmother, yes and a friend, a true village maker. Jean had a heart of gold and would help anyone whenever and wherever she could. Thanks to late, Tom Jones for putting the smile back into the eyes & heart of Jean Pricilla Dottin-Johnson, they shared so many wonderful moments in time together.

On Friday March 17, 2023, God called Jean Pricilla Dottin-Johnson home from labor to reward. Jean leaves to treasure her memory four children Phyllis Johnson, Keith Johnson, Eugene Johnson, and Crystal Johnson-James, 22 grandchildren, Jerome, Tongie, Shante, Kenya, Frank III, Kayla, Vernisha, Vernisha, Vernisha, Chrissy, Janee, Keith Jr., Jeana, Johnathan, Jerome, Eugene Jr., Jaimorry, Jada, Arivilla, Shawn, Jazmine, Michael, 35 great grandchildren, aunts, uncles, cousins and a host of friends. Jean will be greatly missed but certainly not forgotten.

In God's care now, to God be the glory!
