ACKNOWLEDGEMENTS

In times of sorrow and distress,
Your kindness brought us peace.
Through tears and grief, your love was there,
A soothing, gentle release.
We thank you for your comforting words,
And all the ways you've shown,
That in our darkest, saddest days,
We were not alone.

Barry

Eternal lights flicker In a distant sky.
Where have you gone; Why did you die?

When I first saw you, You stole my heart,
And until this awful day, We have never been apart.

I look to the heavens, Hoping to see you anew.
Where have you gone? I'm searching for you.

My painful cries Fill the dark of night.
I need your arms To hold me tight.

Where have you gone? Show me the place
So I can once again see The smile on your face.

We met life's challenges And somehow made it through.
But how do I do it Alone without you?

I know you are in my heart, But I long to see your face.
Memories of yesterday Leave only a trace.

There's emptiness now That nothing can fill.
I so need to find you So I, too, can be still.

Your Loving Wife

God Saw You Getting Tired

God saw you getting tired
and a cure was not to be
so He put His arms around you
and whispered, "Come to Me."
With tearful eyes we watched you
and saw you pass away
and although we love you dearly
we could not make you stay.
A golden heart stopped beating
hard working hands at rest.
God broke our hearts to prove to us
He only takes the best.
