Obituary

Patricia A. Huffman was born on March 13, 1955, in Cincinnati, Ohio. She was born the third of eight siblings. She was preceded in death by her father, Robert Stallings; her mother, Willa Stallings; and her brother, Robbie Stallings.

Patricia graduated from Princeton High School. She was on the drill team and played the clarinet. Excelled academically with a spirit of determination. Her hands not only built and repaired, but they also comforted, nurtured, and gave generously to those in need.

Patricia was a lifelong learner. She dedicated her career to the electrical trade, working as a certified electrician with the Local 212 union until her retirement. Playing a part in wiring places such as the Mohegan Sun casino in Connecticut and the Aria complex in Las Vegas, NV, just to name a couple. More recently, she pursued her CDL license just because she wanted to try something different.

Patricia lived a life marked by love, kindness, and unwavering strength. A woman of deep faith, rooted in her Baptist beliefs, a member of Lincoln Heights Baptist for many years. She was also in the Youth choir at Towne's Chapel C.M.E. church and sang, switching from alto to tenor. She carried that faith into every aspect of her life. She found joy in reading, traveling to new places, shopping for treasures, and most of all, helping others. Her warm smile and thoughtful spirit touched everyone she met, leaving behind a legacy of compassion and grace.

Patricia lived a full life, overcoming many trials and tribulations and still wearing a beautiful smile. She was a committed wife and a dedicated mother who loved her children. On September 25, 2025, she entered eternal peace.

Patricia leaves to cherish her memories: husband, John Amos; her beloved children, Lenisha Chambers, Wilbert Huffman (Kristyn), and Mark Huffman; and her three bonus children, whose lives she enriched with love and care. She also leaves her siblings: Anthony Stallings, Michael Stallings (Ellen), Sally Denise Campbell (Joseph), Darrell Stallings, Clayton Stallings (Brenda), and Darlene Parrott (James). Patricia was a proud grandmother to six grandchildren, as well as several bonus grandchildren who held a special place in her heart. Plus, a host of relatives and lifetime friends.

Her memory will be forever treasured by her family, friends, and all who had the privilege of knowing her.

Mother

A woman who witnessed and graced the lives of generations and cultivated the lives of three, I can only share a glimpse of you from grateful eyes. Your kindness was always on display in your encounters in life; your children took the lesson. Your love was unbound and endless...friends and family were better for it. The way you moved through this life was nothing less than undaunting. And your unbridled determination that reared a family...I am here, where I am, because of it, because of you.

It's greed-filled thinking to say the world needed more of you, but it did and still does. And its sobering and heartbreaking to know it's now bereft of you....less kindness, less love, less fearlessness and determination. I hope my grateful eyes, words, and action conveyed to you what you meant to me, or at the very least showed my gratitude for you being Patricia Huffman, my mom. I pray that you found the one thing in this life that you wanted so much especially in your last - COMFORT.

-W.D.

Therefore you now have sorrow; but I will see you again and your heart will rejoice, and your joy no one will take from you.

-John 16:22
