

## Gone Too Soon

We weren't prepared for you to go  
You were too full of life to be  
Taken away from us so soon  
It's still hard to believe

How much we'll miss your smile  
And your laughter in our ears  
Your absence leaves a hole in us  
We're filling with our tears

You taught us how to be our best  
To in the moment live  
To never hold a grudge for long  
And loyal friendship give

Your presence was a light and a joy  
We never realized would someday end  
Just like the brilliant falling star  
That curved 'round heaven's bend

And though we cannot understand  
The reasons God took you now  
We'll do our best to accept this loss  
To carry on somehow...

Focusing on you and your joy in heaven  
More than mourning in distress  
Smiling through our falling tears  
Counting our time with you quite blessed

We will remember you forever  
For you, our hearts will always have room  
We loved you more than you will ever know  
You left us far too soon!
