

# *In Loving Memory*

## *She's In the Sun, the Wind, the Rain*

She's in the sun, the wind, the rain,  
she's in the air you breathe  
with every breath you take.  
She sings a song of hope and cheer,  
there's no more pain, no more fear.  
You'll see her in the clouds above,  
hear her whisper words of love,  
you'll be together before long,  
until then, listen for her song.
