I have ALREADY found the greatest “road treasures”! They are the PEOPLE who have come along at VERY specific times on my LIFE ROAD in the way of incredible family, true friends and dear souls who have crossed my path – at times even total strangers have quickly become my life’s “road treasures”. Each of us have a road to travel and there are road treasures to be found in the precious souls all around us. I LOVE the incredible people who I consider MY “road treasures”.
