We Miss You Always Sister

*Our hearts have been broken since the day you had to go!
And the memories we treasure dearly are in the tears that still flow!
If only we could have the chance to see your beautiful smile one more time,
to hear your voice one more time or share a big hug one more time!*

*You are in our thoughts every day and we hold you close within our hearts
and that is how it will always be!
We love and miss you, Sister!*
