I Made It Home

*I just wanted to let her know that I made it home.
Everything is so pretty here, so white, so fresh, so new,
I wish that you could close your eyes so you could see it too.
Please try not to be sad for me. Try to understand.
God is taking care of me... I'm in the shelter of His hands.
Here there is no sadness, and no sorrow, and no pain.
Here there is no crying, and I'll never hurt again.
Here it is so peaceful, when all the angels sing.
I really have to go for now ... I've just got to try my wings.
PS ... I'll be the first face you see when you get here!*

TRIBUTES

My Soulmate

*I still say I Love You,' but now there's no reply.
I always feel your presence as if you never left my side.
I remember your comforting voice, now there's not a sound.
Only echoes from the past Follow me around.
You're always by my side, but I can't hold your hand.
The reason why God took you I find it hard to understand.
Summer days seem much shorter, dark nights just linger on.
Dreams turn into nightmares when the one you love has gone.
But real love never fades, it still burns like the sun.
Although they're far away, those memories go on and on.
Your spirit will never die, it shines like the stars.
I know you're sleeping in heaven, but you're living in my heart.*

**Love Always,
Your Husband, Warren**

Farewell Dear Mother

*Somewhere in my heart beneath all my grief and pain,
Is a smile I still wear at the sound of your dear name.
The precious word is 'MOTHER', she was my world you see,
But now my heart is breaking cause she's no longer here with me.
God chose her for His angel to watch me from above,
To guide me and advise me and know that I'm still loved.
The day she had to leave me when her life on earth was through,
God had better plans for her, for this, I surely knew.
When I think of her kind heart and all those loving years,
My memories surround me, and I can't hold back the tears.
She truly was my best friend, someone I could confide in,
She always had a tender touch and a warm and gentle grin.
I want to thank you Mother for teaching me so well,
And though the time has come that I must bid you this farewell.
I'll remember all you've taught me and make you proud you'll see.
Thank you, my Dear Mother for all the love you showed me.
Although you've left this earth and now you've taken flight,
I know that you are here with me each morning, noon, and night.*

Your Children and Grandchildren**
