Love You, Miss You

The Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.*

*I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright sunny days.*

*I'd like the tears of those who grieve,
to dry before the sun
Of happy memories that I leave
when life is done.*

Love you more
