### To My Best Friend

In life we cross paths with many people  
And many of them come and go but  
A best friend stays and always  
Has a lot of love to show  
They are there to support you  
And watch you grow into the  
Person that you were meant to be  
They pick you up when you are down  
And are always around  
When you need a shoulder to cry on  
And that is who you are  
You are my best friend  
That is never to far from my heart  
The laughs and tears that we have  
Shared draws us closer together  
I am grateful for the times that we shared throughout the  
Years and the memories we created  
I will forever miss my dear friend  
Until we meet again Bri - "fly high beautiful!"

### I felt an Angel

felt an angel near today, though one I could not see  
I felt an angel oh so close, sent to comfort me  
I felt an angel's kiss, soft upon my cheek  
And oh, without a single word of caring did it speak  
I felt an angel's loving touch, soft upon my heart  
And with that touch, I felt the pain and hurt within  
depart  
I felt an angel's tepid tears, fall softly next to mine  
And knew that as those tears did dry a new day  
would be mine  
I felt an angel's silken wings enfold me with pure  
love  
And felt a strength within me grow, a strength sent  
from above  
I felt an angel oh so close, though one I could not see  
I felt an angel near today, sent to comfort me.

*I Love you!*

# *In Memoriam*

"Anybody ask me...where I'm goin'? Where I'm goin' to? Anybody wants to know."

Born a bubbly, fun-filled, spirited, energetic and charismatic little lady, Briana came into this world on August 8th, 1978 full of joy! Her loving parents Celia and Winston received her along with a devoted big brother Alex and a protective big sister Shana.

A family bond that was sincerely cherished by Briana was that of her immediate family. Much later in life God saw fit that Briana would give life and be able to pour love into her own family and that she did with a badge of honor! She wore that title "mom" very proud and loved every minute with each of her children.

"...as God gives me grace, I'll run this race, until I see my Savior face to face!"

Battles with illness, disease, tumors, trials, many trips to the hospital...none of it dampened the sunshine that Briana brought to everyone she met. With a smile and twinkle in her eyes she would crack a joke or give a warm word to encourage someone else. The pain she felt never overshadowed the loving spirit she had for life, her friends, her family and especially her kids. Each challenge she faced head on and with a warrior mentality, she took it on! Briana would always say when asked "how are you doing?" "Ohhh I'm hanging in there!" A trooper indeed.

"I'm going up to yonder! I'm going up to yonder! I'm going up to yonder to be with my Lord! Yes I am, yes I am!"

Despite the plans we all made with Briana to travel, to play Barbies, to build a homestead, to watch a movie or even just hang out...on December 26th, 2022 God called her name and she fell asleep in Him. We await the day when we will see her again, but until that day comes may we all say "see you soon Bri!"

Briana was preceded in death by her brother Winston Alexander II (Alex) and her father Winston Alexander, Sr. She leaves to cherish in her memories her loving mother, Celia Ifill; husband Frank Fletcher; daughters Alexia and Anisa, son Josiah; sister and brother-in-law Shana and Daniel; niece Leena; and a host of close relatives and friends who will all miss her tremendously. May her loving spirit thrive through the memories we all cherish.
