Tribute of Love

To honor my sister, who has left us, I will cherish the memories of our shared laughter, the comfort of her presence, and the unwavering love she always offered, ensuring her spirit lives on in my heart and the lives she touched. Of all the special gifts in life, however great or small, to have you as my sister was the greatest gift of all. May the winds of love blow softly and whisper in your ear. I love and miss you Sister and wish that you were here. Deep in my heart, your life will be kept to love and cherish, not forget. No more tomorrows we can share but yesterdays are always there. A silent thought, a secret tear keeps your memory ever near in my heart forever.

Sarah Williams*
