Obituary

With full hearts and cherished memories, we honor and celebrate the remarkable life of Tina Marie Williams, who departed this world on August 18, 2025. Born on June 17, 1981, to William Phillips and Maria O'dell Williams (preceded her in death), Tina's journey was a testament to kindness, perseverance, and relentless service to others.

Tina's early years were filled with curiosity and ambition. She attended Schiel Elementary and Fairview German Bilingual School, before graduating from Walnut Hills High School, where she was a proud member of the school band, playing the clarinet with spirit and joy. Her pursuit of knowledge continued at the University of Cincinnati, where she earned both a Bachelor of Science and a Master's in Education, laying the foundation for a life dedicated to teaching, compassion, and advocacy. At an early age, Tina gave her life to Christ, attending several churches throughout her lifetime. From her teenage years, Tina was no stranger to hard work—her journey began at Kroger, where she first learned the power of community and connection. This sense of purpose blossomed as she became an instructor at the University of Cincinnati and later dedicated herself to Cincinnati Public Schools, most notably Taft Elementary, where she worked closely with special needs preschoolers—children she absolutely adored and championed with unwavering devotion. In the latter part of her career, Tina brought her radiant smile and empathetic heart to Cincinnati Children's Hospital, serving for four and a half years in Access Services as a Patient Representative Lead. Her colleagues and the families she served remember her as a gentle guide and a steady presence, always willing to listen, uplift, and care.

Tina's kind and compassionate nature was the highlight of her million-dollar smile and she had laughter that danced like tinkling bells. Humble, friendly, and unfailingly considerate, she had the rare gift of making everyone she spoke with feel truly seen and valued.

Though she seldom spoke of herself, she always remembered the lives and stories of those around her. For Tina, family was everything. No event was too small, no gathering too far—she was always there, showing up in love, even when facing her own health challenges.

Tina's giving spirit extended far beyond her immediate circle. Through her Facebook page, she shared not only the moments of her own life but championed causes dear to her heart. She was a fervent supporter of the Lupus Foundation and used her online presence to inform others about community resources—FreeStore Food Bank, back-to-school giveaways, the Autism Foundation, and especially Thanksgiving meals for those in need. Her generosity knew no bounds, and she touched countless lives with her advocacy, encouragement, and willingness to help.

Tina leaves behind a loving family: her aunts, Patricia A. Moore, Lillie Simmons, and Sarah Daniels; her uncles, Sargent R. Williams and Joe Phillips; and a multitude of relatives, cousins, and friends whose lives are forever brighter for having known her.

The magnitude of her impact is impossible to measure, for the love she gave and the joy she brought will ripple through generations.

We remember Tina not just for her accomplishments but for the grace, humility, and boundless love with which she lived. May her laughter echo in our hearts, her kindness inspire our actions, and her memory be a lasting blessing.

Rest well, Tina. You are loved beyond words and missed beyond measure.
