In memory of a wonderful

Brother

I hold onto your memories

The ones that are so dear

To try to keep you always close

Now you are not here

You were called, it was your time

But it is so true

You have left a legacy

There was no one like you

You were very special

And I want to say

I feel lost in many ways

You are not here today

But I will never forget you

And I know I have been blessed

To have you for my Brother

Because you were the best...
